The Ultimate- 36 Hour Solo Alone in the Woods!

The Christian is not afraid of the place of solitude.

She seeks it out and gives herself to it,

Knowing it is the womb from which the spirit filled life is born.

For Solitude: There are no shortcuts. You must be alone, truly alone for extended periods of time on a regular basis. William Martin

You can accomplish more in one hour with God,
Than a lifetime without Him.

Who am I? What is my purpose in life? Have I ever been truly alone?

What fears & anxieties hold me back? What are my hidden talents/gifts/abilities?

How do I strengthen my relationship and trust in God?
