

## January 8, 2015 FLC GMC Minutes

Members and guests present: Tom Mausbach, Tom Espel, Rollie Johnson, Ben Huynh, Marianna Malm,

The meeting was called to order by Tom Mausbach.

The Mission statement and vision statement were read.

Opening scriptures from Romans 8: 26-30 were read by Tom Espel and application to global missions and our committee were commented upon.

The minutes from December were reviewed but voting on approval was tabled until we have a quorum at the February meeting. There was the same for the Financial Report.

New business considered a request from Rollie Johnson on behalf of Dave and Erin Simon with Mission Aviation Fellowship for financial support for their mission with this organization. We decided that Rollie will contact them to come to the February GMC meeting to inform us and meet us.

Rollie and Tom gave a brief update on the Standing Rock reservation trip in December. Graham is planning a trip in June for a longer time for a Vacation Bible School possibly.

Next meeting will be on February 12, 2015.

The meeting was adjourned at 7:30 a.m.

Tom Mausbach, chairman
