## CAPITAL CAMPAIGN GUIDELINES

(approved November 20, 2016 at the Special Congregational Meeting, by a 78% majority vote)

I authorize the Council and Staff of First Lutheran Church to proceed with the planning and execution of the building project as outlined in previously received materials and to establish a capital campaign under the following guidelines:

The capital campaign will be to raise \$13,000,000 with the understanding there is a \$6,000,000 matching gift already provided.

1. The building project must follow these guiding principles:
2. The project must pass by a majority vote at a congregational meeting.
3. The project must leave First Lutheran Church 100% debt-free.
4. The project cannot begin construction until 100% of the money has been secured, or 110% in pledges has been committed.
5. If we raise more than \$13,000,000 the excess funds will be used to create an endowment fund to ensure adequate staffing at FLC.
