Preparation

1. **Pray about this day!** Take some time to consider how beautiful this day is- the day you affirm you believe in the Father, the Son, and the Holy Spirit!
2. **Think about a project/essay.** You get full creative freedom here. Whatever mode/method you choose to present your project is great for us. We want this to be a conversational interview style about what you believe in and what it means to you. This can be used as practice for future jobs!
3. **Create the project.**

4. **Pick a bible verse to memorize.** Bible memorization is key to fighting spiritual battles, not necessarily just to show how much you know. Pick something that resonates with you and your journey.
5. **Present in an interview.** You'll share your work for a youth staff member and at least one other adult of your choosing. We recommend a parent, trusted mentor, or sponsor. These will be half hour sessions. Here you will also share what verse you picked, recite it, and tell us why you chose it!

Tips

Be yourself and don't be nervous! It can actually be fun taking the time to discover new things about yourself.

Don't let the interview process scare you. Rollie, Chloe, Steph, and Alexis are not scary people. We just LOVE hearing kid's testimonies about why they love the Lord.

We can't wait to be a part of this super cool occasion with you. On confirmation Sunday, we will showcase those projects to the congregation and bring confirmation kids on stage for a little prayer.

We are so excited for all of you! May God continue to bless you in through this journey,

The CYF Staff (Pastor Steph, Rollie, Alexis)
