

# Registering for the Habitat Volunteer Community

To join a Habitat and Thrivent Worldwide program, you will first register to create an account. You will only have to create an account once. After clicking the registration link in the message you received, you will be prompted to log in or register.

## Registering for your Habitat and Thrivent Worldwide program:

- Click on the registration link in the email you received. You will see this login screen.
- Click the **“Register”** button at the bottom of the login box if this is your first time registering for the Habitat Volunteer Community. If you are a returning user, click **“Login”**.
- Complete the short form and select your privacy settings. Also review the Terms and Conditions for using the site.
- Once you select **“submit”** at the bottom of the form, you will automatically land on the program page for your team. If you do not land on the program page (screenshot below), go back to your email and click the registration link again.

Select the blue **“Register”** button in the upper left to register for your program. Some of the information you completed when registering for the Habitat Volunteer Community will auto-populate on the program registration form.

A screenshot of a login/register form. At the top, a pink message box says: "You have reached a portion of the site only available to logged in members. Register for an account, or login if you already have an existing account." Below this, there are two input fields: "Email Address" with a placeholder "email address" and "Password" with a placeholder "password". Under the password field, there is a checkbox for "Remember me" and a link "Forgot password?". At the bottom, there are two buttons: a blue "Login" button and a white "Register" button with a blue outline.

A screenshot of the Habitat and Thrivent program page. The top navigation bar includes the Habitat for Humanity logo, "Home", "Resources", "Learn More", "Team Leader Group", and "Help". On the right, there is a user profile icon for "Mia" and a notification bell. The main content area features the Habitat and Thrivent logos on the left. Below them is a box that says "Register for this program:" with a blue "Register" button. To the right is a large image of a mountain landscape. Below the image, the title "Thrivent Test Event 2" is displayed with a "10/24" icon. The description reads: "Join this trip to Berea and help vulnerable populations facing additional home ownership barriers gain access to safe, affordable housing!". Below the description, there are two columns of information: "Start Date & Time" (Sunday August 20th, 2023), "End Date & Time" (Sunday August 27th, 2023), "Venue" (GVT44444), and "Location" (Lesotho).

Here is what your program page looks like.

Click the **“Register”** button in the upper left to register for your Habitat and Thrivent Worldwide program.

**Announcements**

Welcome back volunteers!

The Habitat and Thrivent Worldwide disaster recovery program is excited to be back and partnering with two new U.S. affiliates in disaster impacted areas – Habitat for Humanity Rogue Valley in Oregon and New Orleans Area Habitat for Humanity in Louisiana.

In spring 2023, the Global Village program's first Habitat for Humanity U.S. affiliate teams will partner in two countries selected by the Latin America and Caribbean area office. These teams will learn about affordable housing needs from the local community's perspective, and will also build or improve safe, affordable housing solutions. These will be the first teams to travel internationally since we suspended the program due to the COVID-19 pandemic, and they will be experiencing new program elements designed to create more impact through the Global Village program. We will share more about how other organizations can participate once we review the feedback from these pilot programs.

Stay tuned for future updates!
