COUNCIL PRESIDENT'S REPORT

Greetings on behalf of the First Lutheran Church Council. I enjoy taking a few moments to reflect on the work of the church, the council, and congregation. Since our founding, FLC has been evolving, listening to where the Holy Spirit will guide us. As a council we have been "fussing," as Pastor Steph and Marty would put it, with what we are called to do. We have tried to serve as one of the groups that the spirit has worked through to discern what our ministry should prioritize over the next few years. We have listened to the congregation, had many conversations with the staff, and prayed for guidance.

I am going to leave the details to the staff, but themes have developed. One theme is that we are a downtown church, and we should serve our neighbors. As the hands of Christ, we will focus on caring for those experiencing homelessness and hunger. We will focus the work of the church on connection, worship, and impact. Look for much more to come in the coming months as the staff brings these themes to life.

We have also been busy fussing with church operations. We are a large complicated human capital business with a intricate building that

requires significant care and upkeep. The staff and property committee and volunteers have been very busy caring for the people and place of FLC.

I would like to take an opportunity to thank the members of the council. They give generously of their time and expertise. We are incredibly fortunate to have the council that cares deeply for the history, current state, and future of FLC. They are committed to provide oversight, vision, and care for the staff, building, and mission.

Thank you again for your prayers and faithful support. We ask that you continue to include the staff and council of FLC in your prayers as we continue to discern the will of God and lead the congregation.

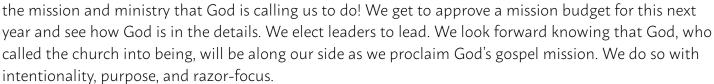

In Christ, **Gary Haugo**First Lutheran Church Council

President

CONNECTING CHURCH

Connecting people to God and to each other.

What is our plan?

Where are we going?

What is God doing and where is God calling us as a congregation?

There are many images of the church in scripture. The Apostle Paul spends a lot of time describing the functionality of church by using this image of the human body. Paul writes, "For as in one body, we have many members and not all the members have the same function, so we, who are many, are one body in Christ, and individually we are members one of another (Rom. 12)." This image of body underscores that we are connected and related to each other. Our lives are graciously not our own. It is hard to see where our lives begin and end in relationship to the other. We belong to each other! We are bundled together! It is about connection and relationships – really, that is all there is in life! This relationship with God in, with, and through Jesus is, we believe, why the church exists! So, we exist as a Connecting Church – Connecting People to God and to Each Other.

We will, over the next three years, expand and deepen our sense of a Connecting Church through focus areas of Connection, Worship, and Impact.

Connect:

- We will connect with others by being a warm, welcoming, hospitable people and place.
- We will connect people with small group ministry where life is shared, and people are supported in relationship.
- We will connect people through spiritual immersive experiences such as retreats, mission trips, service in our local community, and sending kids to Bible Camp. Faith is not only taught but caught!

Worship:

- We will continue to craft meaningful and worship-filled opportunities in both our traditional and contemporary services along with a strong commitment to excellent music.
- We will strive to make worship invitational, missional, contagious.
- We will set goals and develop strategies to increase attendance. Yes, we want MORE people to be connected to God and to each other.

Impact:

- We will be very intentional about making an Impact on the next generation children and youth ministry. These are formidable years, and we would like to see a long-lasting impact.
- We will be a church that engages in unparalleled acts of service. We are a downtown church that will focus primarily on the homeless and hungry issues in our context.
- First Lutheran is a church of generosity. Always has been! We will seek out ways to be outrageously generous as it relates to our way forward.

Really, we like to see this as a three-year adventure as we begin walking this new path forward. It is all about relationships – relationship with God and others. We are here to Connect and Worship and make an Impact for Christ's sake. This is our time and place – and we will make the most of it!

IMPACT STORIES

Over the past three years of activity, the Foundation has funded projects with powerful impact. This year we feature 6 community-based organizations where grants from the FLC Foundation have had a wonderful impact on Gods work through others.

Luther Crest Bible Camp

Luther Crest exists to inspire faith, stewardship, and community in God's creation. We do this through summer camp - where kids and teens unplug and immerse themselves in God's great outdoors.

First Lutheran Foundation has provided funds to Luther Crest in Direct funding or Camperships in excess of \$36,000 over the past three years. These dollars have supported hundreds of campers in God's inspiring great outdoors.

"My daughter had the most amazing experience at Luther Crest Summer Camp. She came home with new friends, new skills, and an expanded sense of self-confidence. The staff was warm and welcoming, and the variety of activities kept her engaged and excited throughout the week. We'll definitely be sending her back next year!" -Camper Parent

"My kids would have stayed for the whole summer if they could! Luther Crest is the best!"

- Camper Parents

YWCA of Cass Clay

eliminating racism

YWCA is on a mission to be a place for women and children to turn empowering women as they escape violence, homelessness, and crisis. They are on a mission to watch her triumph as she moves from fear to freedom, breaking the cycles of poverty and violence and creating a better life for herself and her family.

FLC Foundation has supported the YWCA with more than \$30,000 during the past three years, which was spent for various high need items for the emergency shelter. The grants to the YWCA translate into the equivalent of 460 nights for individuals and families of shelter.

"Your gifts of support have made the difference of everything from warm bed sheets to children's gym equipment to new carpeting for YWCA Emergency Shelter. ... We couldn't do what we do for survivors without wonderful supporters like First Lutheran."

- Erin Prochnow, CEO of YWCA

Crossroads Lutheran Campus Ministry

Crossroads Lutheran Campus Ministry at NDSU is an outreach ministry of the ELCA for everyone around NDSU—especially students. At the center of our ministry is radical hospitality and inclusion,

love rooted in God's gift of faith as we follow Jesus together. This community gathers for fun, fellowship, worship & service. Crossroads = connecting faith + life.

Churches United

and a Path Toward Healina

Churches United is here for a safe place. Here for a home. Here for the hungry. Here for a fresh start. They aim to be here for every neighbor whenever a need arises.

"The First Lutheran Foundation has long been a critical partner in mission for Churches United. Recently, the First Lutheran Foundation gifted Churches United with \$15,000.00 for technology upgrades. This gift allowed us to replace aging computers, monitors, and other related equipment and ensure that our team members are able to work more efficiently and fulfill our mission of providing safe shelter, stable housing, nutritious food, and a path towards healing."

- Pastor Sue Koesterman, CEO of Churches United

This last year, First Lutheran has partnered with Churches United: Micah's Mission to make and serve 12 warm meals, and pack 2,040 lunches for shelter guests.

Local Hunger Outreach

The FLC Foundation continues to address food insecurity in our own community by subsidizing the grocery cost to provide healthy, hearty lunches twice a month to our key ministry partners. Over the past fiscal year, we have fed 3,129 individuals across 6 shelters and/or low incoming housing sites.

This support extended to the food sale fundraisers linked with the FLC Foundation 2023 Summer Concert Series. The Foundation covered grocery costs so proceeds would go directly to the Emergency Food Pantry, Churches United - Micah's Mission, the New Life Center, and the Heart 'n Soul Community Café.

Feed My Starving Children

The World Food Programme defined 2022 as "a year of unprecedented hunger." The United Nations reports that 25,000 people, including more than 10,000 children, die from hunger and related causes each day. Roughly 854 million people worldwide are undernourished. And yet, hunger has been identified as the world's biggest solvable problem.

Feed My Starving Children (FMSC) recognizes that food is the foundation for all other progress. To date, 4 billion meals have been packed and distributed to 70 countries through FMSC. As Christian organizations, FMSC and FLC share the belief that Jesus Christ has called us to feed the hungry and serve those in need.

The FLC Foundation has responded to this call by providing funding in excess of \$25,000 for FMSC, which translates to feeding 274 children for a year. In 2023, nearly 400 FLC members across generations contributed roughly 900 hours of time help to pack 86,500 meals. During the 2023 FLC Foundation sponsored summer concert series, two of the concerts supported the FMSC FargoPack, garnering nearly \$2,000 toward the 2024 event.

January 5-15, 2024, will be the 10th anniversary of the FMSC FargoPack. Goals for the event include packing 10 million meals with 50,000 volunteers to feed 27,000 children for a year (and requires massive fundraising efforts to meet the \$3.3 million event costs). As a major sponsor of the FMSC FargoPack, the FLC Foundation and our church members continue to contribute through FMSC's focus on three initiatives: PAY, PACK, and PRAY.

Thank you for a great year! FIRST

GLOBAL MISSION COMMITTEE UPDATES

The missions we have supported with prayers and funds are far-reaching in scope and geography. The Global Missions Committee is privileged to serve and hear the stories of faith and of lives committed to "make disciples of all nations". Most of the missions have local connections through FLC. We are proud to be among their 'home churches' involved in sending.

We appreciate the support of funds from generous gifts of members throughout the congregation, and legacies of the Lee Family. To ensure the continued outreach of meaningful and exciting opportunities such as these please consider contributing to the Global Missions Fund.

GLOBAL MISSION BRUNCH - NOVEMBER 5, 10:30 - 12:00

We are excited to feature our long-term missionaries and First Lutheran's own daughter Suzy Olsen and her husband, Jim. They will share their experience in Ecuador and Hacienda El Refugio over the past 11 years. This event will kick off Global Mission Week (November 5 – 11) with many opportunities for the Olsen family to share their story across generations to our congregation.

SHORT-TERM MISSION HIGHLIGHTS

Women's retreat at Hacienda El Refugio: FLC women supported Suzy Olsen and facilitated a women's retreat at Hacienda El Refugio. FLC sent a team of 7 women who assisted with worship and breakout sessions to foster spiritual renewal. The retreat drew women from across Ecuador and Peru who dedicate their lives in the mission field and serving others. The retreat led to new connections and will be offered again in 2024 as an ongoing mission.

House project on Hacienda El Refugio: A house was constructed on the property to enable Daniel (Program Director) and Katy (Financial) and their children Abigail and Aaron to continue their mission at El Refugio.

India via Amistad Worldwide: Fifty wells in villages without close water sources is a significant, long-lasting ministry.

Foundation for the Nations (A Youth for Christ Outreach): FLC Global Missions turned \$10,000 from the Lee Family Fund into \$92,000 through matching and pooling with benefactors and other groups across the country. Those funds were distributed to 26 Youth for Christ missions around the world.

These and other missions were supported with \$76,000 this year through the Lee Family fund.

Notomis Updates

Seeds:

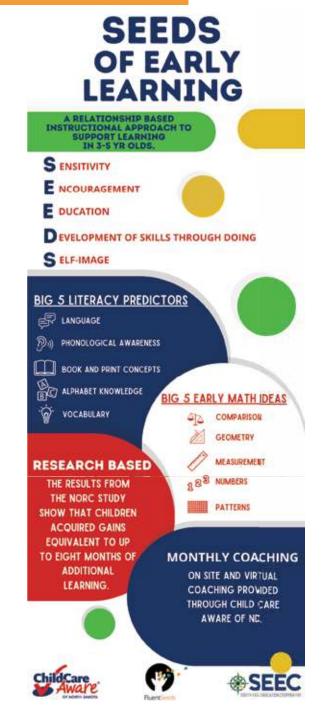

We are implementing the SEEDS curriculum/program in our 3–5-year-old classrooms. This program includes, in person trainings as well as coaches coming into the classrooms to work with the teachers. The SEEDS program helps early literacy skills – please see attached flyer.

Giving Hearts Day:

We were fortunate to be involved in GHD 2023 – where we raised \$60,000 for Nokomis. We are taking part in GHD 2024, with our goal to be raising \$70,000.

Family Involvement:

In May, we had our preschool graduation ceremony to celebrate the success of our friends going to kindergarten this fall. We had over 40 family members in attendance to celebrate the accomplishments of our 6 friends! Muffins with mom and donuts with dad celebrated in honor of Mother's/ Father's Day – we invited parents in for a special breakfast. MSCTC dental hygienists made a visit in March. The kids were able to practice brushing teeth, learned about the importance of dental care and each child received toothpaste and a toothbrush. In February we held a Sweetheart dance – families participated in cookie decorating, had a "DJ" booth for music, and had a photo booth.

Summer at Nokomis:

We have been very busy! Many field trips happened this summer including Red River Zoo, Midwest Kidfest, parks in the area, Moorhead & Fargo public libraries, Shadow Wood splash pad, and more. Water play (splash pad and water tables) and art activities outside have been a big hit for our Nokomis friends!

OWLS:

We currently have 3 church volunteers, who come into Nokomis and help with preparing/serving lunch, reading books, activities with the kids, and rocking babies.

Outside Resources for Children:

We currently have 12 students that receive outside services such as OT, speech, behavior, and sensory therapies. We also have 4 foster care children, where we assist with the county picking up/dropping off for parental visits.

Waitlist:

We currently have 83 students on our waitlist - 53 of those children are infants.

Thank you for supporting Nokomis this year!

Property Management Committee Updates

What an impact the Property Committee members have had this past year! Members of this committee include Dick Larson, chairman, Terry Yoney, Tim Ellenson, Rich Larson, Dave Simley, Wayne Smogard, Paul Speral, and Rob Zachariason. Their role is important to ensuring structural and systems integrity throughout FLC. The time, expertise, and discernment they bring to these discussions, reflects the integrity and ethics of this committee.

Last Fall 2022 we were managing through the boiler project. Exit the old boilers and bring in the new. Pipes and more pipes, fan coil units, structural chimney challenges and more. What a project! The contractors and subcontractors that supported this project were professional, respectful, and adaptable to the rhythms of the church.

Efforts to address areas in the Sanctuary with water damage have been ongoing throughout the winter and into summer. **When it rains, it pours, and a new leak seems to appear!**

The upper Sanctuary stained-glass windows have been refreshed. The storm windows were carefully removed and cleaned.

Another crew of amazing men stepped up to this activity.

Maybe it was about donuts!

The NE room off the Sanctuary has been restored and is awaiting furniture. Stained glass windows removed during the building project were relocated to this room. The

flooring was placed in August. Thank you to Terry and Bonnie Yoney for their meticulous cleaning skills!

REPORTS:

FLC Foundation Report:

State of First Lutheran Church Report:

Pastors Marty and Stephanie Tollefson

Pastor Marty began with opening comments about planning for the future and work we are doing to reorganize the church. Pastor Stephanie talked about the role of the church as a connecting relationship with Christ and one another. She shared the plan for how we will accomplish this through three areas of engagement:

- 1. Worship Teaching and Music
- 2. Children, Youth and Family Ministry
 - a. As of September 11, we had over 150 kids registered (a 50% increase from last year) and 66 adult volunteers signed up. There was enthusiastic applause.
 - b. We also sent 70 kids to Bible Camp and a bus of kids to Chicago.
 - c. We are working on a website redesign with a January launch date.
 - d. We have 1,300 members over the age of 55. Pastor Laurie will serve as our Visitation Pastor for our 55+ members.
 - i. We have a goal of 65 visitations a month and will have a care team assisting, including a part-time visitation pastor, church staff and congregation members.
- 3. Mission We will reach out and bring people into a relationship with Jesus. The work of the Church belongs to the people of the Church.

- a. We have trips to Mexico and Ecuador planned for spring.
- b. We will continue to participate in Feed
 My Starving Children in early February and partner with other community organizations.
- c. We will be mindful of our downtown neighbors and be asking, "What does it mean to be a Church in Mission on Broadway?"

Pastor Marty closed by naming the opportunity in our 2.5 mile radius. He also talked about the Capital Campaign that will fund the Sanctuary restoration, facility upgrades and build the reserve fund.

Operations Report:

Kathy Helming, Chief Operations Officer, thanked a number of people for the support and advice they have provided in these early months of the new position. She called on Terry Yoney to be publicly acknowledged for his leadership and guidance.

Kathy gave an update on the boiler project. The two new boilers are in place and the process to start removing the fan coil systems is set to start next week and be completed in two to three weeks.

The Fireside Room, Heritage Room, Library and additional spaces are scheduled to be opened back up for people to use those spaces.

We are reviewing the facility usage agreements. Holy Spirit will be using the gym M-F 11-12.

Nokomis has been going through restructuring, business plan development and early childhood

development processes. We have wait lists of kids hoping to get in and space for new employees. We just celebrated as eight of our kids moved to Kindergarten this fall.

Budget:

The 2022/2023 budget report was presented for approval. No questions were raised.

Sindy Keller motioned to approve the 2022/2023 budget. Evelyn Quigley seconded. Motion carried.

FLC Council Report:

President Gary Haugo recognized the impact of the last year and offered thank yous to John Bennett for his six years on Council and to Pastor Corey for his 10 years of leadership and service. He also thanked the Call Committee for their role in calling Co-Lead Pastors, Stephanie and Marty Tollefson.

Pastor Marty led the Sending Prayer.

Respectfully submitted, Stephanie Ahlfeldt, Secretary
